Strategic Development Plan of the Institution

Strategic Development Plan (SDP) is done to evaluate the institute's goal achievement and fulfill stakeholder expectations of the institute. A well written SDP can play a pivotal role in a Teacher education institute's growth and success. Adarsh Education College Yavatmal focuses on strategic steps toward the next level of inclusive excellence by accomplishing institutional goals. The Institute Quality Assurance Cell (IQAC) committed to ensure the development of its all aspect according to the accountability towards the society. This SDP Plan document is based on analyzing present challenges and opportunities along with futuristic activities that leads to achieve goals and objectives. The stakeholder expectation fulfillment and institute goal achievement are estimated by doing study of internal and external environment scan. Experts from teacher education field have conducted Strength, Weakness, Opportunities and Challenge (SWOC) analysis. This SWOC analysis has helped in defining the strategies. The plan is directional and broad, providing a focused, complementary set of goals, strategies, and activities.

The plan addresses strategic goals selected as follows

1. Effective Governance
2. Well execution of planned strategy
3. Academic Excellence through Outcome Based Education
4. Sustainable Infrastructure
5. Enrichment of Human Resource
6. Holistic development of the Student through Education
7. Empowerment of women through education
8. Collaborate and Excel
9. Community Outreach
